### **INSTRUCTIONS FOR ONLINE BID SUBMISSION**

This tender document has been published on the Central Public Procurement Portal (URL:<https://eprocure.gov.in/eprocure/app>) & Institute website [www.iipe.ac.in](http://www.iipe.ac.in). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

#### **Registration**

1. Bidders are required to enrol on the e-Procurement module of the Central Public Procurement Portal (URL:<http://eprocure.gov.in/eprocure/app>) by clicking on the link "Click here to Enrol". Enrolment on the CPP Portal is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / eToken.
7. The CPP Portal also has user manual with detailed guidelines on enrolment and participation in the online bidding process. Any queries related to process of online bids or queries related to CPP Portal may be directed to the 24x7 CPP Portal Helpdesk.
8. The Institute will not be responsible for any type of technical issue regarding uploading of Tender on website.

#### **Searching for Tender Documents**

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.

2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / email in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

### **Preparation of Bids**

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS formats. Bid documents may be scanned with 100 dpi with black and white option.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

### **Submission of bids**

1. Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Financial Bids can be submitted in PDF format (As per Chapter 5).

Any additional components, which the bidder wants to quote and if it's not available in BOQ, can be quoted in the PDF format. The bidder may add rows to include the prices of all components & warranties, installation etc. whichever applicable.

4. Bidders are requested to note that they should necessarily submit their financial bids in the format provided (as per Chapter-5) and no other format is acceptable. The Financial Bid can be submitted in PDF format also. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white Coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
5. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
6. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
7. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
8. Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

- ii. The bidders are requested to quote for Educational Institutional Price for Equipment and software, since we are eligible for the same.
- iii. The prices should be shown against each item for the purpose of Insurance claims / replacements if any.
- iv. List of deliverables / Bill of materials and services.
- v. In case of foreign quote, the address of Principal's / Manufacturer's and their Banker's details should be furnished.

**Note:**

- (i) No request for extension of due date will be considered under any circumstances.
- (ii) No sub-contracting is allowed with regard to installation, commissioning, training, warranty maintenance and after sales service. This is the sole responsibility of the Principals'/ their authorized agents.

10. IIPE, Visakhapatnam may issue corrigendum to tender documents before due date of submission of bid. The bidder is required to read the tender documents in conjunction with the corrigendum, if any, issued by IIPE Visakhapatnam. The bidder is not supposed to incorporate the amendment in the body of the tender document

11. **Bid opening And Evaluation process**

- (i) Technical Bids will be opened on **12-10-2022** at **17:00 Hrs.**
- (ii) Financial Bids of the eligible bidders will be opened on a later date. The date and time for opening of Financial Bids will be intimated later to the technically qualified bidder(s).
- (iii) Bids would be summarily rejected, if tender is submitted other than through online. IIPE, Visakhapatnam shall not be responsible for any technical issues.

12. **Terms of the Technical Committee:**

- (i) On the due date the technical bids will be opened and referred to the Technical Committee which is duly constituted by the Director, IIPE Visakhapatnam. The committee will go through the technical aspects of the tender and recommend short listed firms. The recommendation of the technical committee is the final and binding on all the parties.
- (ii) The technical evaluation will be an assessment of the Technical Bid. IIPE, Visakhapatnam representatives will proceed through a detailed evaluation of the Technical Bids as defined in **Chapter IV (Schedule of requirements, specifications and allied technical details)**, in order to determine whether they are substantially responsive to the requirements set forth in the tender. In order to reach such a determination, IIPE Visakhapatnam will examine the information supplied by the bidders, and shall evaluate the same as per the specifications mentioned in this tender.
- (iii) The technical committee may formulate evaluation criteria in addition to the specifications and requirements indicated in the tender, in the interest of IIPE, Visakhapatnam and these criteria / recommendations will also form as a part of short-listing of the firms.

(iv) The Technical Committee will examine all the Technical aspects of the bids received. Further, the Technical Committee may seek additional information from the existing users at IIPE Visakhapatnam or from other Institutes and also call for Technical presentations from the BIDDERS if it is required so.

(v) The information received and the bids already submitted together will be examined with reference to the tendered specifications and evaluation is made by the Technical Committee.

(vi) After the technical evaluation is completed and approved, IIPE Visakhapatnam shall inform to the BIDDERS whose bids have been rejected technically with the reasons for rejection on e-Procurement Portal (<https://eprocure.gov.in/eprocure/app>).

(vii) The successful BIDDERS will be informed regarding the date and time of Commercial bid opening.

(viii) In the event of seeking any clarification from various BIDDERS by IIPE, Visakhapatnam, the BIDDERS are required to furnish only technical clarifications that are asked for. No amendment to commercial bid will be entertained at that stage. In case if a BIDDER fails to quote for a particular item it amounts to non-compliance and hence such bid will not be considered for further evaluation. Further during this process if any BIDDER indicates the price during the clarification such bids also will not be considered for further evaluation.

(ix) The purpose of obtaining two bids (technical and commercial) is to evaluate all the firms on technical basis with reference to the tendered specifications, performance of similar Solutions/ Applications elsewhere, obtaining user views with reference to the earlier supplies. This will enable the technical committee to arrive at a fair recommendation in the interest of the organization.

(x) The Institute may call for Technical Presentation/ mock-up/ demo of the product as a part of the technical evaluation by giving sufficient time for the bidders to make arrangements for the same.

### 13. **Commercial Bid Evaluation:**

Based on results of the Technical Evaluation IIPE, Visakhapatnam evaluates the Commercial Bid of those Bidders who qualify in the Technical Evaluation.

(a) IIPE, Visakhapatnam shall correct arithmetical errors on the following basis:

(i) If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected.

(ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and

(iii) If there is a discrepancy between words & figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

(b) After arriving at final pricing of individual offers of all the short-listed firms, the lowest firm will be awarded with Contract/Purchase Order.

(c) If there are any discrepancies in price schedule and tender document, please refer to the BOQ in the Central Public Procurement Portal, the BOQ item/words/conditions mentioned in BOQ prevails

14. The Director, IIPE Visakhapatnam reserves the right to accept the offer in full or in parts or reject summarily or partly.

16. **Unloading:** In case of Equipment unloading at IIPE, Visakhapatnam, which will be under supplier's scope

## **CHAPTER-2: INSTRUCTIONS TO BIDDERS**

### **1. Preparation and Submission of Offers:**

(a) Quotation should be submitted directly by the original manufacturer/ supplier or its sole authorized distributor/dealer/Indian Agent. In case of bid by authorized dealer/ distributor/ Indian Agent, the manufacturer authorization should be attached with the technical bid as per **Annexure-‘C’**.

**One Indian Agent can participate in a tender on behalf of one manufacturer only. No offer will be entertained if the same Indian Agent is representing another manufacturer for the same item. Bids from only one authorized distributor/ retailer/ reseller will be entertained, who has authorization from the company to quote for this tender. Multiple bids from various distributors from the same manufacturer will not be entertained & the company / principle providing multiple authorizations will be rejected from the tender.**

(b) In case a bidder is not doing business within India, it shall furnish the certificate to the effect that the bidder is or will be represented by an agent in India equipped and able to carry out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period or ensure a mechanism at place for carrying out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period.

(c) The bidder shall bear all costs associated with the preparation and submission of its bid irrespective of the conduct or outcome of the bidding process.

(d) The bidder should not indulge in any corrupt, fraudulent, collusive, coercive practices during the entire process of procurement and execution of contract/ order. Before the deadline for submission of the bid, IIPE Visakhapatnam reserves the right to modify the bidding document and to extend or not to extend the date of submission. Such amendment/ modification will be hosted on e-Procurement portal (<https://eprocure.gov.in/eprocure/app>) or on IIPE Visakhapatnam website.

(e) Conditional tenders will be summarily rejected.

(f) The Authorization Certificate from the OEM on their letter head must be given clearly authorizing the bidder as their representative for this tender. The details of the tender like the tender number, date and name of the Institute must be clearly mentioned by the OEM in its authorization letter given for submission to the bidder. Failure to submission of this document (or) improper/ incomplete/ any generic (or) vague documents shall lead to rejection of the bid.

2. **Delivery Period / Timeliness:**

The deliveries & installation must be completed **within 8 weeks** after placement of Purchase Order. The time is the essence of the contract. It is mandatory for the BIDDERS who respond to this bid to meet these expectations, as are tightly linked to IIPE, Visakhapatnam's plans of completing the project within the time frame.

3. **Amalgamation/Acquisition etc.:**

In the event the Manufacturer/ Supplier proposes for amalgamation, acquisition or sale of its business to any firm during the contract period, the Buyer/ Successor of the Principal Company are liable for execution of the contract and also fulfilment of contractual obligations i.e. supply, installation, commissioning, warranty, maintenance/replacement of spares accessories etc. while submitting your bid, you may confirm this condition.

4. **Bid Validity Period:**

(a) The prices must be valid at least for a period of **180 days** from the date of opening of the Tender. No changes in prices will be acceptable in any condition after opening of tender till the validity of the offer or execution of the order whichever is later.

(b) Bid evaluation will be based on the bid prices without taking into consideration the above corrections.

5. **Award of Contract:**

(a) IIPE, Visakhapatnam shall award the contract to the technically qualified eligible BIDDER whose bid has been determined as the lowest evaluated commercial bid.

(b) If more than one BIDDER happens to quote the same lowest price, IIPE, Visakhapatnam reserves the right to award the contract to more than one BIDDER or any of one of the such BIDDERS.

6. **IIPE, Visakhapatnam Right to vary Quantities at the time of Award:**

(a) IIPE Visakhapatnam reserves the right at the time of Contract award to increase or decrease the quantity of goods and services originally specified in the tender document without any change in unit price or other terms and conditions. Further, at the discretion of the IIPE Visakhapatnam, the quantities in the contract may be enhanced by 25% within the delivery period.

(b) Firms which have already supplied similar equipment to IIPE Visakhapatnam and have not completed required installation/ commissioning/ after sales service/ warranty replacements etc. such firms offer will not be considered for further evaluation and no enquiries thereafter will be entertained.

7. **Fraud and Corruption:**

IIPE Visakhapatnam requires that bidders, suppliers, contractors and consultants, if any, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,

(a) The terms set forth below are defined as follows:

- (i) **“Corrupt practice”** means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;
- (ii) **“Fraudulent practice”** means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;
- (iii) **“Collusive practice”** means a scheme or arrangement between two or more bidders, designed to establish bid prices at artificial, non-competitive levels; and
- (iv) **“Coercive practice”** means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;

(b) The IIPE, Visakhapatnam will reject a proposal for award if it determines that Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.

8. **Interpretation of the clauses in the Tender Document / Contract Document:**

In case of any ambiguity / dispute in the interpretation of any of the clauses in this Tender Document, **The Director, IIPE Visakhapatnam’s interpretation of the clauses shall be final and binding on all parties.**

### **CHAPTER - 3: CONDITIONS OF CONTRACT**

	Liner	5-6mm thickness make Fundermax / Terspa
	Baffle	Fixed Type
	Service Windows	Openable type
	Services	RW, Oxygen, Gas & LPG
	Electrical Systems	LED Tube lights with DB Box, 4 no's Sockets/Switches and Emergency Stop
	Worktop	Dished type with 30-35mm thickness
	PP Cup sink	100mm with bottle trap and Hose
	Lattice Assembly	Epoxy Rods with 150 sq mm distance vertical and horizontal.
	FV - Monitor	Face velocity monitor
	Exhaust Outlet	PP Molded Butterfly Damper
2	<b>Fume Hood Ducting</b>	PP-FRP of overall thickness of 5mm with all accessories and approved make color and as per site condition.
3	<b>Centrifugal Blower</b>	PP-Molded with 800CFM, 50mm Static with IE3-ISI motor and starter with cabling for CB to be considered.

**Construction Details of Laboratory Fume Hoods.**

Fume Hoods are a safety equipment and are designed aerodynamically to exhaust the toxic vapours and ducts within the work surface area.

**Super Structure:**

Fume Hoods are manufactured with Laser cut from Single Cold Rolled Sheet of double skin type and of 16 and 18G thickness and to be welded equivalent to laser welded to form a proper Shape with aesthetically to from length of 1200,1500,1800,2400 etc., and standard depth of minimum 900mm and overall height for 2300mm to be maintained. Levelling supports sheets to be 16G with 25mm height adjustment is required to maintain the uniform floor height.

Openable back panels are required for maintenance and service purpose with one adjustable shelf inside the storage cabinets. **Fume Hood Liners:**

Hood interior liners and baffles are fabricated from 5mm thick high-strength white glass reinforced poly resin that meets both chemical and flame resistance criteria. The liners are attached onto the hood frame by the reusable liner fasteners that are made of chemical resistant material. Removable interior access panels (H400□W300mm), framed by the similar liner materials, located on the liners of both sides provide an easy access to the service fixtures and piping. The material and thickness is the same as liners. In addition to the interior access panel, accesses are also available by removing the exterior side panels and/or the frontal faceplates.

### **Fume Hood Sash:**

Vertical Sash is manufactured as per the FH super structure. Corners are welded to ensure structural strength and stability. The sash glass is surrounded and clamped to shape inner frame structure. The side frame adopts C-shape full enclosure track design embracing sash cables, resulting in very low friction as well as derailment-free traction. The vertical sash operates smoothly without tilting when raised or lowered from either end and can remain at rest at any position.

### **Fume Hood Work Surface:**

Jet Black Granite of 35 mm thickness dished type, which are of high hard natural stone and are of required sizes are used.

### **Fume Hood Ducting:**

2mm of PP Sheet and 3mm of FRP is used to reinforce with isothelic resin to form of high strength duct which is chemical resistant. MS supports are used to hang these ducts to ceiling and to the centrifugal blower.

### **Centrifugal Blower:**

Direct Driven, PP molded surface with PP impeller is used for chemical resistant and less noise with IE-3 motor with ISI mark motor to be used. Proper AVT pads are used for any vibration and for constant discharge weather cowl is recommended.
